## Frequency

4 issues per year

## Registration requirement

The policy of JoP regarding clinical trial registration is consistent with the position of the International Committee of Medical Journal Editors. Gives priority to systematic reviews that are prospectively registered in a publicly available register.

## Endorsement of reporting guidelines

Authors must provide the CONSORT checklist accompanied by a flow diagram that illustrates the progress of patients through the trial, including recruitment, enrollment, randomization, withdrawal and completion, and a detailed description of the randomization procedure.
